Featuring Vaughan Thomas & Scott Cash
(musicians who toured with the CMA Hall of Fame Statler Brothers from 1992-2002)

Based in Amherst County, Virginia – Glen has performed at HUNDREDS of Outdoor Events, and worked with over 40 National Acts (from groups such as Lonestar to artists such as Joe Nichols)

"One of the best vocalists I've ever heard"
~ Jimmy Fortune (Tenor, The Statler Brothers)

"You sounded great young man!"
~ Ronnie McDowell

"I really enjoyed your show. You've got a big ole voice!"
~ Darryl Worley

"One of the best ever at the fair"
~ G. B. Spencer, President, Chesterfield County Fair, VA

Lead Guitar Player,
Vaughan Thomas also toured with National Acts such as David Allan Coe

Keyboard Player,
Scott Cash also toured with National Acts such as Patty Loveless

Both Vaughan and Scott have been Nashville Session Musicians, and performed on many TV shows such as Music City Tonight and Nashville Now.

"On October 26, they (The Statler Brothers) played their last concert at the 10,000-seat Salem Civic Center in Salem, VA" (cmt.com). It is very fitting that Vaughan and Scott's first show with Glen was at the Salem Civic Center at the Salem Fair (where Glen has performed multiple times -every year- for about the last 15 years).

They (5 on stage, including Glen) bring a high energy & entertaining show with popular Country music (cover songs) as well as a few of Glen's originals. National Act quality for a fraction of the cost!
